

# PROBLEM

## Protective Coating of Playground Equipment

No. 21

# COATING SOLUTION

### Alesta® Powder Coatings for colour stability, durability and weatherability

Used by the most vulnerable yet roughest consumers, playground equipment is a serious business. Wicksteed Playscapes has been manufacturing quality equipment for the past 90 years, with a name that stands for quality, safety and serviceability – guaranteed. Which is why Wicksteed uses DuPont™ Alesta Powder Coatings.
